Subscriptions

Members pay an annual subscription fee at the commencement of the club year (January 1). The level of the fees for full members and associate members may be adjusted at the Annual General Meeting. Life members who are active must pay as a minimum the affiliation fee to the relevant association for insurance purposes. New members must pay the appropriate fees with their application for membership.

Subscriptions for the current year must be paid before any member can compete for the club.

Non-payment of subscriptions

The committee shall have the power to expel any member whose subscription is nine months in arrears, providing that one month's notice in writing shall have been sent addressed to the member's last known address, informing him/her of the proposed action of the management committee.

The name and address of any full or active life member so expelled from the club shall be recorded and sent to the relevant association. Any person whose name has been so recorded shall be suspended from competing at any meeting held under governing body rules until the liability causing the expulsion, which shall not exceed one year's subscription, shall be discharged.

The suspended person may not compete under Amateur Athletic Association laws until reinstatement by the club in which event the said reinstatement shall be similarly notified.
